

SENIOR MENTAL HEALTH COUNSELOR

FUNCTION OF THE JOB

Under supervision, to perform senior level professional work involving the delivery of mental health services to individuals in need of counseling and/or case management services; and to perform other duties as required.

CHARACTERISTIC DUTIES AND RESPONSIBILITIES

1. Receives referrals of clients in need of mental health services (performs intake) and monitors client's behavior in relation to treatment plan goals and client's needs.
2. Maintains a caseload of individuals with personal social behavior problems including severe mental illness.
3. Responds appropriately to mental health emergency situations and utilizes crisis intervention techniques and procedures.
4. May screen requests for mental health services, determine appropriate services for client, and refer as necessary.
5. Provides counseling and supportive therapy to clients individually and/or in a group setting.
6. Provides case management services, coordinating services with various agencies in order to ensure on-going assessment and follow-through of treatment plans.
7. Maintains appropriate documentation of all client contacts, consultation with other professionals, and documents any changes on treatment plan. Intervenes when appropriate in response to changes.
8. Participates in various meetings, staffings, and in-services; and may provide consultation to other professionals and paraprofessionals.
9. Conducts assessments of client needs through interviews, collateral contacts and other investigations and develops a casework plan with clients.
10. Provides information to family regarding a client's diagnosis and treatment and provides supportive counseling to family as needed.
11. Acts as a departmental liaison, providing casework direction and supervision to providers of contracted services.
12. Provides recommendations and testimony in court as to clients' mental health status and submits appropriate documentation.
13. Establishes and maintains effective public and working relationships and collateral contact.
14. Prepares and presents detailed oral and written reports.
15. Documents case assessment, treatment planning and progress notes in the written record.
16. Complies with State and Federal Program requirements.
17. Performs other duties as required.
